Filter coffee machines - 3 pint jugs or thermo flasks

Still an easy way to serve bulk coffee, simple to use.

- Machines from Bravilor or Technivorm
- 2 x 3 pint jug hot plate versions or thermo jug machines

Bravilor Novo 2 Filter Coffee Brewer.
£184.99 + VAT to buy outright.

2 x Self Regulating Hotplates, 2 x
Glass 3 pint jugs

Hand Filled.

Holding Capacity 24 cups.

Machine Throughput per hour:- 18
litres / 144 Cups

Brewing time 5 Minutes per Decanter.

205mm wide, 340mm deep, 430mm high. Includes a free case (100 sachets) of 3 pint filter coffee to use with the machine.

Thermoserve brewers filter coffee
straight into thermo jugs. Loosing only a
few degrees per hour, they stop coffee
boiling off as it does on a hot plate.
£227.99 + VAT including one thermo jug.

Price includes boxed delivery and free
case (100 sachets) of filter coffee to
use with the machine.
