Lavazza Espresso Coffee Beans

Producers of the finest espresso blended coffee beans since 1895, today modern techniques are combined with traditional blending

patterns to produce distinctive and consistent blends which are vacuum packed immediately after roasting to ensure the freshness, taste and aroma is retained.

- Established brand name with ISO9001 certification.
- POS package available to back up the name - sells the coffee for you.
- Purchase branded sugar sticks and take out cups to emphasise the brand.
- An Italian favourite often seen used with Wega espresso machines
