**Take Out Hot Paper Cups with drink thru lids**

Coffee to go is now a major part of the speciality coffee market.

- Increase coffee sales - especially for those with low covers.
- Take away coffee drinkers can promote your business.
- Choose generic designs or have your own custom printed cups.
- All our range are high quality coated paper cups, providing good thermal capacity while providing no aftertaste.

The benders range of Milano barrier cups offer a unique feature - the paper cup is coated with a foam style outer coating increasing it's thermal capacity which means an outer coffee clutch is not required for very hot drinks. Attractive white deisgn with cup motif.

Available in 4oz, 8oz, 12oz and 16oz cups & lids.

The solo bistro range is a firm favourite, attractive burgandy design with espresso, cappuccino & latte emblazoned on the cup. Also available in white, these paper cups have a quality feel.

Available in 4oz, 8oz, 10oz, 12oz, 16oz cups & lids.
