THE ART OF BLENDING

## SMOOTHER™— The Legendary Performer

*Today's choice of the world's leading smoothie and frozen coffee retailers.*

- **Program+Plus™** provides 30 pre-programmed blend profiles available to you with the touch of a key. Or, build your own custom program using our PC software kit.
- **More Power.** The Smoother™ delivers 50% more power than other commercial blenders. More power means less blending time and faster delivery to your customers.
- **Attractive, Functional Design.** A designer's ideal: space-saving, easy-to-clean, and ergonomic. The jar is half the weight of other jars.
- **USA Warranty.** Lifetime warranty on motor drive coupling and blender blade. 13, 15 and 18 amp motor - 2 year/15,000 cycles. 20 amp motor - 3 years/20,000 cycles. All Blendtec warranties include parts and labor.

*Smoother & SpaceSaver shown both On-Counter and In-Counter*

## Smoother™ Features

- Heavy-duty 13, 15, 18, and 20 amp motors, the most powerful motors available.
- 64-ounce polycarbonate Jar.
- Optional 96 oz. jar for 15, 18, and 20 amp motors.
- Blue Liquid Crystal Display (LCD) reports cycle counts and helpful diagnostics.
- Acrylic sound enclosure offers maximum visibility.
- 9" W X 9" D X 17" H Above-counter.
- 9" W X 9" D X 11" H In-counter.

Complies with  
UL Standard 763  
CSA Standard C22.2 c

## SPACESAVER™— A huge value in a compact size

*The SpaceSaver™ is designed to provide premium value at an affordable price.*

- **Program+Plus™** provides 30 pre-programmed blend profiles available to you with the touch of a key. Custom programming is also available.
- **More Power.** The SpaceSaver™, with 13 AMP's, has more power than any other blender of its size. The SpaceSaver™ features 13 and 15 amp motors.
- **Versatility.** The SpaceSaver™ can be mounted in the counter or in the compact stand provided.
- **Form and Function.** The SpaceSaver™ has a small footprint that requires less counter space than most blenders. Jars are stackable, light weight, and can be personalized with your logo.
- **USA Warranty.** Lifetime warranty on motor drive coupling and blender blade. One year or 10,000 cycles on the motor base (includes parts and labor).

## SpaceSaver™ Features

- Powerful 13 or 15 amp motors.
- 64-ounce polycarbonate jar.
- Blue Liquid Crystal Display (LCD) reports cycle counts and helpful diagnostics.
- 5 3/4" W X 7 1/2" D X 8" H Above Counter.
- Total Height (with jar): 17" H.
- 5 1/2" W X 7" D X 1" H In-Counter.
- Total Height (with jar): 10" H.

Complies with  
UL Standard 763  
CSA Standard C22.2 c

## EZ blender Unlike any other commercial blender in its price range

*The EZ blender™ is designed for low volume operations incorporating features of expensive machines.*

- **Program+Plus™** provides 30 pre-programmed blend profiles available to you with the touch of a key. 100% Solid-State Electronics. No switches or manual timers.
- **More Power.** The EZ blender™ delivers 50% more power than any other blender for its price.
- **Functional Design.** Fits in a small space, light weight, and portable.
- **USA Warranty.** Lifetime warranty on motor drive coupling and blender blade. One year or 5,000 cycles on the motor base (includes parts and labor).
