

THE PANEL PRINT PROGRAMME FROM SOLO

There is now a way that you can have your logo printed on any paper or plastic cup in the SOLO range for a low minimum run of just 25,000. The **Panel Print Programme** allows you to have a simple one colour logo printed onto a plain white hot cup or clear plastic PET cup of your choice for half of the usual print quantity.

If you have a really simple logo and can match the colour you like to one of the options below then we will be able to print the cup for you free. All you need to do is order 25,000 of each size of cup and take delivery in full.

Simply send your artwork to us following our usual artwork guidelines along with a 25% deposit for your order and we will deliver your order in full within ten weeks. A proof is not supplied as part of this programme, but whatever art you supply is the art that will appear on the cup.
